Dear parents,

Greetings from Bethany School,

Education is not just preparation for life; education is life itself. The result of education is a peaceful and dignified life in the society. In the words of Bethany Founder RFC Mascarenhas “**Education is filling the Head with knowledge, Heart with values and equipping Hands with skills**”. According to Lord Mahavira it is called as “**Right knowledge, Right Conduct and Right Character**”. The Educational endeavor of Bethany school may lead all its students to grow in this threefold path to experience fullness of Life.

We have come to the end of the Academic year 2022 - 2023. We have been blessed by the Almighty all through the year and we too have become blessings to each other. Our school is affiliated to CBSE board and the first batch of class X successfully appeared for the exams. We also look forward to upgrade the school into Higher Secondary level. After the turbulences of Covid 19 and its variants at different times and modes the school began its regularity of looking after the children in the school. We worked very hard to bring back the students to school and motivate them to begin again. One of the most difficult addiction was mobile addiction of the students that deviated them from values and studies. It is my humble request dear parents to keep away your children from mobile and free them from its bondage.

My personal thanks to each and every one of you dear parents for your care and support to your children and to the institute. I, on behalf of the management, teachers and on my own behalf would like to thank you for your whole hearted co- operation, timely suggestions towards the growth of your children and the institute. May God bless you and your family.

Long live Bethany School.
